**WHAT IS IT?**

**Augmented Reality**

**"Hold a Hologram in your hand"**

The Merge Cube is an Augmented Reality trigger that allows certain apps to activate when pointed at the cube. It's like holding a hologram in your hand!!!

**HOW DOES IT WORK?**

**1** Download any Merge Cube app from [miniverse.io](http://miniverse.io).

**2** Select Phone or VR Mode to use goggles

**3** Point your device at the cube to view and activate the AR element (it's NOT necessary to create an account)

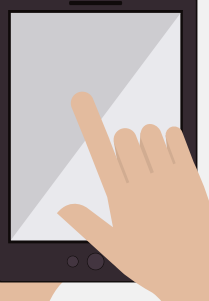

Create a [miniverse.io](http://miniverse.io) account to unlock extra features

Save the box!! It doubles as a stand

**DEVICES**

Merge works with phones and tablets and has recently announced **CHROMEBOOK COMPATIBILITY!!**
